Steps to Success College Success Initiative Mentoring Ambassador

About AmeriCorps:

The [AmeriCorps Ambassadors of Mentoring](#) is an AmeriCorps Program where members serve in mentoring programs across Massachusetts.

Organizational Description:

Host Site Description:

Steps to Success, Inc. is a community based non-profit organization that works to bridge the opportunity-gap for students and families living in Brookline public housing. We provide year-round supports for students starting in 4th grade all the way through college graduation. We were founded in 2001 as a partnership between the Public Schools of Brookline, Brookline Housing Authority, and Brookline Community Foundation in response to discrepancies in high school graduation rates between students living in public housing and their higher-income peers. Because of the continuous, long-term investment we put into our students- both in and out of school- we are proud to say that 76% of our students are on track to graduate from college within 6 years, versus 11% of low-income students nationwide.
